Re: Proposed Southerly Annexation
District No. 30A to the City
of Glendora

Dear Sir:

At the meeting held on April 23, 1958, the County Boundary Commission reviewed the boundary description and map submitted by you, with your letter of April 14, 1958, of the proposed annexation of territory to the City of Glendora.

This annexation is a revision of the proposed "Southerly Annexation District No. 30" as approved by the Commission on February 13, 1958.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
